

# When life takes you here...

- Hospital
- Emergency Room
- Outpatient Surgery

## ELAP eases the financial pain by:

General Hospital	
CT Scan	<del>\$2100</del> \$500
Therapy Eval	\$330
Surgical Supp	<del>\$312</del>

- Working with your plan to set fair claim limits
- Reviewing every hospital bill for overcharging
- Resolving facility billing issues

Sometimes, when we limit payments, the hospital/facility might bill you for the balance.

## Here's what to do about balance billing...

### Explanation of Benefits from your health plan (not a bill)

Shows you what your plan covered and what you'll owe

### Bill from the hospital/facility

If this does not match your EOB, simply contact ELAP
